DEPARTMENT 8 -- POULTRY and PIGEONS

Superintendent: Abby Benson 368-0165

See Health Requirements.

All poultry, waterfowl, upland game birds and pigeons entering an exhibition must bare an individual identification leg band. Ratites are identified with a neck band or an electronic implant device (the exhibitor must supply a reader.)

Entry Requirements

- Exhibitors may be limited to the number of birds exhibited as exhibitors must provide own coop, however, check with superintendent as some coops and cages are available.
- Only properly entered specimens and specimens listed under the conditions of the Fair's Premium Book will be accepted.
- The "American Standard of Perfection" of the American Poultry Association and the "Bantam Standard" of the American Bantam Association will govern poultry judging.
- A bird can only compete for one prize, except as provided for in special awards.
- A judge shall not officiate in a class where he had an entry. Collusion between a judge and an exhibitor will exclude from competition and awards all entries of the offending exhibitor. Exhibitor's protest to such exclusion must be in writing.
- Exhibitors will be responsible for their own birds.
- Entered specimens must be the bona fide property of the exhibitor and have been hatched in Pennsylvania. All poultry must be separately cooped and clearly marked as to sex and class.
- During the continuance of the show, all birds will be examined carefully each day. Birds showing signs of disease will be segregated and properly cared for or returned to the owner at his expense.
- Substitutions will be permitted before closing day of entries. No substitutions will be permitted after the closing date of entries unless the same breed, variety and sex.
- Birds will be handled only by the judge or authorized Fair official.
- Premiums will be awarded only on animals or birds exhibited in their proper classes.
- In the absence of a protest, which must be in writing, the decision of the judges will be final.
- Premiums will be paid only on awards indicted by the judge's records.
- Entries will be accepted and premiums paid only on breeds, varieties and colors listed under the conditions noted in the Fair's Premium Book.

Section 10 -- Pigeons

1. No specimen is to be handled by anyone except the owner, the judges, or members of the Fair Management unless permission is granted by the owner.

2. Young specimens shall not be considered eligible for competition unless they have reached two-thirds mature development.

3. A pair must consist of cock and hen for the first prize money.

4. Exhibitors' names and marking shall be placed on the display coops prior to judging. After awards are made, advertising suitable to the management may be placed on

cages.

5. It is very important that each bird is banded with some type of band. Any bird not showing some type of band will not be judged and will automatically be ineligible for any award.

6. All young birds must be banded with a seamless recognized band of the current year. **SPECIAL NOTICE:** When cooping in your birds, be sure to **MARK BAND NUMBERS ON COOP TAG FOR EACH BIRD.**

7. Any contingency that may arise and is not covered by these rules will be adjusted by the Superintendent whose action will be final.
