

Den's Reading Program Testimonials

Parents

"It's great!"

-C.C., Parent of a Kindergartner

"You should publish it!" [We did!]

-K.K., Parent of a Kindergartner

"I'm impressed!"

-D.S., Grandparent of Elementary Students

"It's excellent, excellent."

-C.D., Grandparent of Kindergartner

"That book is so very cute."

-S.W., Parent of a Kindergartner

"Nice!"

-F.S., Parent

"It's very good."

-R.D., Grandparent of a Kindergartner

"I've looked it over (and my first thought was how well put together the book is) and I'm sure it will be PERFECT for my nephew."

-P.W., Aunt of a Preschooler

Regarding Students

"Andrew is having a ball! He takes it to bed with him."

-J.H., Grandparent of a Four-Year Old

In fact, she was so impressed she bought copies for Andrew's entire classroom.

"Hannah already can't put it down!"

-M.B., Parent of a Kindergartner

"It is a great book and Nyah already loves reading out of it..."

-J.V., Parent of a Preschooler

"He loves it! He just picked it up. He loves it."

-J.B., Mother of a 4 & 1/2 Year Old

Teachers

"Thank you for such a great resource!"

-K.B., Kindergarten Teacher

"That book is awesome."

-Author's Daughter's Kindergarten Teacher

The author's daughter's teacher wanted four copies for her classroom library!

Administrators

"That's great."

-D.D., retired Elementary School Principal

"You've really done a very good job with it."

And about the Quick Start page, *"That is excellent!"*

-R.N., Preschool Director

Specialists

"The pictures are gorgeous. This is great..!"

-W.G., Certified Reading Specialist

(Wendy explained that when phonics first came out, it didn't have any pictures - so it didn't keep students' interest.)

"I think it's a great start for any pre-school, kindergarten or first-grade child...it's a good starter for parents to use with their little ones. And because it teaches phonics, they'll probably get a much better introduction to reading than if exposed to the typical whole language approach they'll likely receive in many classrooms."

-M.H., Remedial Reading Teacher for over 25 Years

State Adoption Testimonial

"The program utilizes 80% or more of current research-based practices.

The sequence of the materials was good.

The book would have a specific purpose for beginning kindergarten.

This is well done.

The book has large print, it is easy to read, and simple for kindergarten students."

-Utah State Textbook Adoption Committee

Any Reading Intervention Situation

Catholic Charities in Albuquerque has used this reading program extensively with adult refugees from Iraq.
