

2K Urethane Clear Coat

1140 SERIES

2K UNIVERSAL URETHANE CLEAR COAT

Archmya's 1140 series 2K Universal Urethane Clear Coat is a 2K polyurethane clear coat designed for spot, panel and overall refinishing. These high solids solvent-based low VOC coating can be used over all solvent based and water based basecoats. It dries very quickly at normal ambient temperature and can be buffed within a few hours. These products also offer excellent gloss with a professional look finish, when air-dried or force dried for even quicker finish time.
