Statement of Acknowledgement and Informed Consent to Examination and Treatment

By signing this statement of acknowledgement, you understand that:

- 1. I view my practice as a Naturopathic Nutritionist as a complement, not as a replacement, to any conventional medical treatment you may currently undergo. I recommend that you DO NOT CEASE any medical treatment you are currently following. I recommend that you consult a doctor/GP/hospital for any symptoms. A consultation with me does not replace a visit to your GP or hospital. If you are uncomfortable seeing a GP please phone the NHS helpline on 0845 4647 (24 hours).
- 2. Any methods I may use have a proven clinical foundation, yet they may not be recognized or accepted by all representatives of traditional (allopathic) medicine.
- 3. I am required by my licensing board to take each new patient through a full consultation and intake form. I am required to refer for symptoms which could potentially be linked to dangerous conditions ("red flags"). Any suggestions or referrals I will make are based on the assessment of your health, revealed through the personal history and symptoms which you share with me, in addition to laboratory testing and any other appropriate method of evaluation. I reserve the right to determine which cases fall outside my scope of practice, in which event I will refer as appropriate.
- 4. You are seeing me, and you are accepting or rejecting my suggestions of your own free will.
- 5. The ultimate responsibility for your healthcare is your own and I am here to support you in any steps you want to take to improve your health. Improvements are conditional upon you taking steps & continuously following a path to better health. 6. All fees, for services and supplements are payable at the time of appointment by the patient or the guardian. There is a fee for completing insurance forms, letter writing, and telephone consultations up to 15 minutes.
- 7. Notice of 24 hours is required for appointment cancellations, otherwise you will be charged an administration fee of 35.00 pounds plus travel cost where applicable. Special financial arrangements have to be made clear in writing in advance.
- 8. Even the gentlest of therapies and supplements may have their complications under certain physiological conditions and hence the information provided is based on the information you have provided to me.
- 9. You are not an agent of any private or government agency, or a nutritionist or alternative therapist, trying to gather information without stating your intentions.
- 10. Please note that any handouts or documents I may give you are specific to your case and should not be distributed even to friends and family. Much harm can be done by giving inappropriate advice. Also, all my material is copyrighted. I acknowledge that I have read and understood the above and herewith give my informed consent.
