CHQ 2023 Quilt Challenge Color Collaboration

A spectrum of different colors is produced when light passes through a glass prism or through a drop of water. A prism bends light, taking in white light, refracting it, and revealing a mind-boggling array of colors.

Challenge Rules

Make a monochromatic color schemed quilt panel exclusively using the single color and its tints, shades, and tones from the *Joen Wolfrom* color card you've received. White or black cannot be used. All submissions must measure 15" wide x 45" long. There are no restrictions in theme, subject matter, or piecing techniques. The "Other" category is wide-open, although it must be done in a monochromatic color scheme.

Drop off quilts between 4:30 p.m. - 5:30 p.m. so we have time to hang them in the room.

CHQ's Color Collaboration Challenge is derived from the Prism Play art exhibit made by 46 SAQA Northern California / Northern Nevada artists who have graciously given permission to CHQ to leverage their concept.
