

Success and Survival

by Tim Dooley of the Point Pleasant Church of Christ in Hebron, KY

Preparation is essential to success and survival. We stock our pantries with food, we purchase insurance, we save money, we publish a will, and we make plans. Yet, no one can possibly prepare for every possible contingency in life. Life is filled with risk. But wise planning can help us minimize the risk. Spiritually speaking, much of what the Bible says is meant to help us with the task of minimizing risk.

Let's face it, without divine guidance men place themselves at far greater risk than those who follow the Word. Paul tells the church at Thessalonica to minimize physical and spiritual risk by abstaining from fornication (1 Thessalonians 4:3), possessing our bodies with sanctification and honor (v. 4), loving one another (v. 9), working hard (v. 11), and being honest (v. 12). What a wonderful world we would reside in if every man lived like this!

But many won't and their existence, while fooled by Satan's lies, is filled with sorrow and hopelessness. The one thing we can be prepared for, however, is the return of Jesus. While those of the flesh run headlong into the evils of the world, the spiritually minded are to abstain from every kind of evil. Those who live soberly go about their daily lives rejoicing, praying, bearing the fruit of the Spirit, loving the truth, proving all things, and holding fast to the good. Are you living soberly? How is your preparation? Are you ready?

Success and survival come from sober living.

Smile and pay someone a compliment today.

Reading The Bible

by Raymond Kelcy via BulletinGold

2 Timothy 2:15

A young lady was once given a book to read. She tried reading it and found it to be quite dull and boring. Later, she fell in love with a young man who was a writer. In a conversation with him, she found out that he was the author of that book. She could then hardly wait to get to her room so that she might read it again. This time she found it to be a very interesting and fascinating book. What was the difference? She knew and loved the author. Some think the Bible is dull and dry. But if they would read it with the idea in mind that here is a book written by their God and Creator, they would find it to be a challenging message. They need to come to love God. When they do, they will find His book to be both interesting and meaningful.
