

## **FRAGRANCE JUDGING**

Once again we are pleased to have perfume professionals who will judge the fragrance of selected orchids. Joanna and Knut Rossbach are returning for the third year to participate in this event. Marcella Olalde-Castillo will join them.

Exhibitors are invited to choose up to two (2) orchids per exhibit to enter into this competition. Thursday during set-up we will ask for information on your selected plants and they will be identified with a special sticker. These orchids will be pulled out Saturday morning. Please place them in an accessible location in order to prevent disturbance to your exhibit. The judges will then tour the exhibit area to select any other plants that strike their senses. Plants will be judged by the group and winners will receive specially marked ribbons. The grand champion will also get a trophy.

We hope you enjoy this special feature of the show. Thank you for your participation.
