DEVELOPMENT & PEACE - SHARE THE JOURNEY CAMPAIGN

Development & Peace - Share the Journey Every story is different. There are refugees in many parts of the world. More

people are on the move around the world today than ever before and each person has a different story. We invite you today to join us in asking our Prime Minister to do more to address the root causes of forced migration. We are asking him to make a commitment to:

- Support grassroots organizations working for peace, democracy and human rights.
- Invest more in diplomatic and peaceful solutions to armed conflicts.

Please take a few moments to sign the action card in your pew or go online www.devp.org/en/education/fall2018/action No one should be forced to flee their home.
