Closing Prayer

God's mercy brings relief.
Sometimes we get ourselves into horrible predicaments. It may be as a result of an innocent mistake, but often it's because we did things our own way rather than God's way. God could say, "I told you so" and turn a deaf ear to our cries for help. But when we admit our fault, he mercifully forgives and helps us get back on our feet again. "Our God is merciful," said the psalmist. "When I was brought low, he saved me. Return, O my soul, to your rest, for the Lord has dealt bountifully with you" (Psalm 116:5-7)

4th Sunday Area Singing

The schedule for the 2020 quarterly area singing has been cancelled because of the uncertainty centered round the pandemic. We pray that the pandemic will be a thing of the past and we can resume area singing starting in February 2021. Until then, please continue to watch the bulletin for any changes. Please continue to be safe!

- Please continue to send cards to Wayne and Nell with words of encouragement. Because of the seriousness of his condition please contact Nell if you want to visit. He is under hospice care.

REACH, Inc. – Community Project

The ladies made a commitment to supply the REACH, Inc. of Cherokee County domestic violence shelter with cleaning supplies and laundry detergent. **Please do not forget them when you are out shopping.** If you have items of clothing, children books, etc. to donate please place them in the bin provided in the pantry area or you can take them to the REACH office located behind the thrift store on HWY 64. We can always use some small tote bags and small travel size items to fill them with, e.g. combs, hand sanitizer, toothbrush, travel size toothpaste, deodorant, etc. for their clientele. Recommended size for the tote bags is 9”X9”. Put them on the table in the pantry and we will fill them as time permits. Please contact the Thrift Store if you have furniture you want to donate to arrange pickup.

If you would like to donate on a recurrent basis, please fill out the card on the back table. You can take the card directly by the office or give it to Lula to take for you.

Often the victims leave home with only the clothes on their back, so they are given clothes and furniture from the Thrift Store until they can get back on their feet. They can always use volunteers to help with some of their community outreach activities and local fundraiser events. Call the office at 828-837-2097 or 828-837-8064 for more information.

Fundraisers are needed to supplement government grants. The next major fundraiser is a “Duck Race” co-sponsored with Mountain True. Ducks are \$10 each.

Because of concern for public health safety regarding the spread of COVID-19, the race has been postponed. We will let you know the new date as soon as a decision is made. Lot depends on the status of pandemic in Cherokee Country.

Let Lula know if you want to purchase a duck from her or you can stop by the REACH office located on Hwy 64 across from the BB&T bank.

Extraordinary Women October 16-17 conference has been moved to Steele Creek Church Arrowood Campus, Charlotte, NC. A few of the speakers will be Laura Story - Christian music singer/ songwriter and author; Cissy Graham Lynch - granddaughter of Billy Graham and Karen Kingsbury, America's favorite inspirational author! **Registration cost of \$64 extension ended August 31st**, unless there is another extension the cost is \$109. Purchases are non-refundable. Because of COVID-19 concerns they are giving you the option of attending in person or viewing a LIVE STREAMING. Please let Sheri Goodlet know what you prefer and share any concerns regarding attendance.

Wayne’s Outreach Ministries

Because of his serious health issue, Wayne has not been able to continue his outreach programs. If there are folks who would like to participate in the prison ministry, please contact Nell, she can share contact information with you. Wayne has been the only person that some of these men have reaching out to them. They are sending some amazing words of encouragement as well as telling Wayne about the positive impact he has been on them. At Wayne’s request, Nell will be continuing to correspond with some of these men since they truly have no

one else. Let her know if you have any questions.

If you need help getting started with WBS (World Bible Study) or know someone who has indicated an interest in WBS, please contact Roy Stephenson.

Nell Ard is working to keep our directory notebook updated so let Dean know of any changes and he will share the information with her.

It was good to see David and Betty Windsor back Sunday August 23rd. Their directory information is on the table in the back for our new members and for anyone who cannot find their copy.

A Night in Bethlehem

Kitchen Repairs

Dean shared that there was some water damage to the floor in the fellowship room and bathrooms. Repairs are underway, and thanks to everyone who is helping to finalize the repairs and the painting.

Pantry Items

We need your help to restock our pantry. If no family or individual has made a special request; then, at the end of each month Lula pull items off the shelves and takes them to the Cherokee County Food Bank, Inc. in Andrews since they have access to the Cherokee County community at-large and average about 100 clients a week but has seen a three-fold increase in need during the COVID-19 pandemic and increase in unemployment. NOTE: **We give out food only if someone is here when an individual comes to the church.**

The food bank is open to the public on Tuesdays and Saturdays from 10-12. They have requested empty egg cartons so they can divide the large crates of eggs they receive from other organizations.

THINGS YOU CAN DO TO HELP PREVENT THE SPREAD OF VIRUSES AND BACTERIA

- Regularly wash your hands with soap and water for at least 20 seconds
- If soap and water are not available, use hand sanitizer with an alcohol content of 60% or more
- Avoid touching your face, eyes, nose, and mouth with unwashed hands
- Clean and disinfect objects and surfaces frequently touched or wear gloves
- Cover your sneeze or cough with a tissue or elbow to reduce spread of droplets
- Please wear a mask when you are outside amongst large crowds, especially if you are not feeling well or having symptoms, e.g. coughing, feeling tired and aching, etc. Wearing a mask helps to prevent the spread of the virus.
