

# Taylor Thompson

Taylor has been a DSP based in the Adult Day Program for almost a year. Taylor is a full-time student, and works for MYEP part-time. Taylor came to MYEP with experience in the field and immediately became a notable DSP by working with those whom display challenging behaviors. Taylor has independently been able to follow through with schedules and assist with behavior intervention when needed. Taylor provides thoughtful engagement when providing services, and completes her assigned duties and responsibilities including progress notes on time.
