Mexico City Police Outreach

May 2015

Police Cadets we trained at the Mexico City Police Academy in Mexico City

Commander Bob Dowling training

Prayer Request

Pray for the men and women who heard the gospel that the seed that was planted in their hearts will bear fruit that will remain. Pray that the church will be able to disciple these people.

Ask the Lord to continue to raise up the team members and provide the financial support for these police outreaches.

Continue to pray for the upcoming outreach to the police in Belize. Pray that God will prepare their hearts for the gospel.

Pray for our outreaches to the police in the USA. They are beginning to grow and we are reaching more officers every month here in Colorado.

Dear Friend,

We entered the door that God miraculously opened for us in March to work with the Mexico City Police. Bob Dowling (Police Commander and MMI Board Member) as well as Scott Millan a police officer from Florida were with me as we travelled to Mexico the end of April. Were able to do training and evangelism in the Mexico City Police Academy.

God blessed our time and allowed us to train 965 cadets. They were very responsive to the training and also to the gospel. We saw about 570 police cadets respond to the gospel. Our prayer is that God would allow us to proclaim the gospel to all of the 83,000 police officers in Mexico City.

We partnered with Alejandro & Rosi Orozco who lead a church of 10,000 in Mexico City. It was a blessing to work with them again as we have for many years in Mexico. I preached at their church and saw 60 people respond to the gospel. I praise God for how He is building His church in Mexico.

I also met with Mexico Federal Police leaders and God is opening the door for us to train and share the gospel with them again. Mexico is one of the countries where the fields are ready for harvest. It is a great joy to serve the Lord and participate with Him in His work in different countries.

We will continue to go back to Mexico on a regular basis to work among the police. God has given us favor with the police and your prayers have made a difference as we have ministered to them.

Please be praying about our outreach to the police in Belize in June. We continue our ministry to the police here in Colorado and God continues to bless the outreaches we are doing here in Colorado.

Thank you for your prayers and support. God bless you.
