Words from the President

Hey Guys,

Boy, time is going by fast and we are in the middle of the busiest time of the year concerning car shows! First of all is the Fall Charlotte Auto Fair Sep 22 - 25 and then is the Myrtle Beach Mustang National Sep 29 – Oct 2. And many other local shows, Hilton Head Concours the first weekend in November and then the Biggie is our Show Nov 12th!

All the pieces are coming together to make it happen, but we can still use your help even if it's only bringing a door prize to give away every little bit helps. The day of the show is when we need the most help so that no one has to work too hard. We all usually come together to make it a great day for a good cause.

Please try to attend the next two meeting while we finalize plans.

Duane

Meeting Minutes from August 30, 2016

(Submitted by Paula Rice)

Duane introduced himself and asked the new people in attendance to stand and introduce themselves and tell us what they are driving.

The Treasurer's report was given.

The Coastal Carolina Mustang Club (Myrtle Beach) is sponsoring their first National Show Sep 29th - Oct 1st. Joyce has been able to book a block of rooms if you are interested in staying over for the weekend. The show will take place at the Convention Center. There will be parking inside and out, but if you park inside you will not be able to move your car until the show is over.

There are several upcoming car shows in the next few weeks. The car show calendar can be accessed at any time for show information.

Our Car Show is fast approaching and we need sponsors and door prizes as well as auction items. We also need to distribute flyers when we go to area shows. If you need sponsor letters please see Ken or Duane. Several of our members are calling on the local Ford dealers again this year. They make up a bulk of the donated money, but we are grateful for any amount.

The site has been secured and mailings are going out as well. Our show is also advertised in the Mustang Times magazine.

If everyone pitches in we should have a great show. Come to the September meeting prepared to sign up to volunteer.

Our next meeting is at the C&W Super Buffet on Tuesday, September 27th at 7:30.

Duane adjourned the meeting.

Sherry's 2013 Mustang!

Just for Fun!

The Grump!

While on a road trip, an elderly couple stopped at a roadside restaurant for lunch. After finishing their meal, they left the restaurant, and resumed their trip. When leaving, the elderly woman unknowingly left her glasses on the table, and she didn't miss them until they had been driving for about forty minutes. By then, to add to the aggravation, they had to travel quite a distance before they could find a place to turnaround to return to the restaurant to retrieve her glasses.

All the way back, the elderly husband became the classic grumpy old man. He fussed and complained, and scolded his wife relentlessly during the entire return drive. The more he chided her, the more agitated he became. He just wouldn't let up for a single minute.

To her relief, they finally arrived at the restaurant.

As the woman got out of the car, and hurried inside to retrieve her glasses, the old geezer yelled to her, "While you're in there, you might as well get my hat and the credit card!"

Well, there you go!

An angry wife was complaining about her husband spending all his free time in a bar, so one night he took her along with him.

"What'll you have?" he asked.

"Oh, I don't know. The same as you I suppose," she replied.

So, the husband ordered a couple of Jack Daniel's and threw his down in one shot. His wife watched him, then took a sip from her glass and immediately spat it out.

"Yuck, that's TERRIBLE!" she spluttered. "I don't know how you can drink this stuff!"

"Well, there you go," cried the husband. "And you think I'm out enjoying myself every night!"

How Times Change!

Two guys grow up together, but after college one moves to Michigan, the other to Florida. They agree to meet every ten years in Vero Beach and play golf. At age 30, they finish their round of golf and go to lunch. "Where you wanna go?"

"Hooters."

"Why?"

"Well, you know, they got the broads, with the big racks, and the tight shorts, and the legs..."

"OK."

Ten years later at age 40 they play. "Where you wanna go?"

"Hooters."

"Why?"

"Well, you know, they got cold beer and the big screen TVs and everybody has a little action on the games."

"OK."

Ten years later at age 50 they play. "Where you wanna go?"

"Hooters."

"Why?"

"The food is pretty good and there is plenty of parking."

"OK."

At age 60 they play. "Where you wanna go?"

"Hooters."

"Why?"

"Wings are half price."

"OK"

At age 70 they play. "Where you wanna go?"

"Hooters."

"Why?"

"They have 6 handicapped spaces right by the door."

"OK."

At age 80 they play. "Where you wanna go?"

"Hooters."

"Why?"

"We've never been there before."

Editor's Notes

Before I forget, our t-shirt order came in, so we have a decent selection of sizes. Not so many at the old price though! New ones won't be over \$10, best I can tell you at the moment.

As for our Annual Show Sponsors, Betsy Giuntoli gave us a wonderful donation and Shannon Thomas brought in one from CREVAR Chiropractic PC. We have approached others, and have some promises, so we should be okay, but no reason for you not to ask that establishment that you've been thinking about! The more donations we can bring in, the larger our donation will be to our kids! These donations are the key to our success!

I'll mention the door prizes! It would be nice to see everyone help us out with those. If you have something lying around that might sell at our Silent Auction, bring it along! My opinion, if you purchase an item for the auction, it will always sell for less than you paid for it! It would serve the club better to just donate the cost directly to the club! We can let that donation go directly to our charity! Folks (including me!) look for a deal in the auction! Everything Emily and I have donated was bought specifically for the auction, and they

have never brought what we paid for them! I think it would be much better all the way around to sponsor a class rather than purchase something for the Silent Auction.

But, nearly all of us have something lying around that we don't need that could be useful to someone else. That kind of stuff is excellent for the auction! My opinion!

Last year and this year, Emily and I purchased the soft drinks that we sold at the show. That way, what we spent ended up giving even more to the kids! Possibly, donating toward the purchase of the food would be something acceptable? Just thinking out loud here!

If you are selling, trading, searching for something special and would like it in our classifieds, send it to us! If there is a special article or topic you like to see in the newsletter please let us know! Do you have a favorite Mustang story you would like to share, let us know! Or just anything you would like to share with the club, please email information to ronsmith55@comcast.net.

The only restriction we have is that we keep the total pages to 12 (that's 6 pages both sides).
