Missionary Moments

Morning: God Provides Diverse Church Planters for a Diverse Mission Field

[Wisconsin] Southern Baptist missionary JOHN DRAPER helps church planters get new congregations started in southwest Wisconsin. One third of the state's populations, including Milwaukee, lives within the region. John is trusting God to restore a vision for planting churches that existed in the region years ago. God is proving Himself faithful by providing planters from a variety of backgrounds to plant churches in this diverse mission field. Through your church's generous gifts given through the Cooperative Program, John can train church planters to better engage their neighbors with the good news about Jesus. Ask God to clearly communicate the need for prayer among the churches of the region.

Evening: 1,000 Come to Faith after Trainings

[Sub-Saharan Africa] IMB missionaries JEFF and BARBARA SINGERMAN trained people in 250 churches in the Democratic Republic of the Congo to share their faith using stories from God's Word. In the days and weeks after the training, people shared testimonies of how God used the trainings to grow His kingdom. One local pastor reported 60 new believers in his fellowship. Ruth, a high school student, led five classmates to Christ. Paulin, a former gangster, returned to the streets to share the gospel, resulting in 19 former gang members getting baptized. The Singermans estimate that 1,000 people came to faith after the trainings. Praise God for Cooperative Program funds that facilitated this rapid spread of the gospel.

Reminder: Please consider giving a little extra to enable Bakery Bamba to continue to work with us as the local "on the ground" church planter and pastor of the new church plant in Divo, Cote d'Ivoire, West Africa. Just write "Bamba" or "West Africa" on your check or envelope. Thank you for helping the people of West Africa hear the Good News of Jesus Christ!
