### USA Police Outreach

September 2017

Sharing the gospel with Colorado Springs Police Officers at a lunch we provided for them.

Dear Friend,

We held our first lunch for police in Colorado Springs on September 5th. It was a blessing to see 26 police officers come on duty during their lunch break. The chief and deputy chief were also there.

I presented the gospel and ministered to these officers. I sensed God's presence and power as I lifted Jesus up in their midst. God has given me a deep love and compassion for law enforcement officers and I was grateful to be able to present the gospel to them again.

It was a blessing to have Marlene, Rob McIntire, Bruce & Becky Riehl and Steve & Tami Dalbey helping us with this outreach. Steve and I worked together at Los Angeles County Sheriff's Department. We have been friends with them since 1983 and they have been part of our ministry outreaches in Latin America. They just moved to Monument, CO from California and will be working on our staff.

We are so blessed to have a great staff working with us in this ministry. We have been encouraged by their love for law enforcement officers and their families.

We have ministered to hundreds of officers here in the USA since 2013. Pray that many will come to Christ and be strengthened in their faith. Pray for our upcoming outreaches in Latin America. Thank you for your prayers.

Steve & Tami Dalbey

### Prayer Request

Pray for our 4 monthly outreaches to law enforcement officers in Colorado. Many of the officers who are coming are not believers.

Pray that the seed that is being sown will fall on good soil and produce fruit that will remain.

As we expand our ministry to other law enforcement agencies in Colorado and other states pray that God will open the doors to minister to more officers.

Pray for that God will continue to open doors in other countries. We are planning outreaches in Mexico, Belize, and El Salvador.

Randy Green
