KING OF PUNCH OUT TOURNAMENT RULES
Last Updated August 25, 2016

1. Enter Code 007 373 5963 for Mike Tyson
2. Players will be ranked on how fast Tyson can be knocked out. Then would be points scored against Tyson.
3. Record the exact time (you'll see the exact time with one hundredth of seconds) and round you won KO'd, TKO'd Mike Tyson.
4. If the tournament organizer is not available, have another competitor present to confirm your knock out time or points score. Take a photo with your phone as well.
5. Play against Tyson as many times as you like, however be mindful of others. If someone is waiting, then give up your spot after two attempts.
