Welcome Back!

May 26th, 2021

The Memorial Day Weekend is just days away and I wanted to send one more note with important information before the 2021 season kicks off. Please take a moment to read through my notes below regarding COVID Controls for the 2021 season, what to expect with our new scan-in/out registration system, and updates to our operating hours.

COVID CONTROLS ARE (MOSTLY) RETIRED FOR THE 2021 SEASON

Based on the recent changes to the CDC's masking guidance and the updated state-issued COVID-19 guidance for businesses that lifts all restrictions related to gatherings, restaurants, and other businesses effective 12:01 am Monday, May 31st, the Board of Governors has retired nearly all of the COVID-19 precautions we put in-place last year. The Swim Club will look and feel more like the summer of 2019 than 2020 and we're excited about getting back there with you!

- The SSC will not be implementing a pod system this summer.
- All chairs and lounges will be available for your use (you're still welcome to bring your own chair if you like).
- Masks are still required by all members and staff in interior spaces (guard break room, offices, restrooms, snack bar, etc.)
- We are working through the details of restarting many of your favorite social events and once we settle on dates (and rain dates), we will start accepting reservations for private parties.
- We will be restarting our competitive swim program and hosting five swim meets (3 Saturday morning varsity meets and 2 Wednesday evening JV meets).
- Hourly touch point cleaning by the staff will continue.
- Showers will remain secured.

We all still have an important role to play in maintaining public health and safety. Because of that, I am asking that all members remain respectful of others' decisions to wear/omit masks and maintain a comfortable distance to other members and groups.

NEW MEMBER MANAGEMENT AND CHECK-IN/OUT SYSTEM

Our new Member Management System will be up and running starting this weekend. The first time you arrive at the pool, you will be given new member cards that you can use to self-scan in and out at the front desk. Each registered member will have their own unique ID and over the next two weeks we will be providing you electronic versions of your ID cards that can be easily loaded onto your smart phone and/or into your favorite keychain app. Check-In/Out convenience is one of our goals and although we expect a few growing pains, swiping your own cards should make your trip past the front desk a quick one.

- Keep in mind guests still need to be registered upon entry.
- There's just a few days left to upload your pictures!
