Food: The local Lyons Club will be onsite with plenty of options and drinks.

HARE SCRAMBLE/ WOODS LOOP

Rocket Raceway MX hare scramble/woods loop has multiple elevation changes and a mix of terrain that you would expect to encounter in southern Pennsylvania. We are preparing to have a 10 mile loop arrowed and ribboned for your enjoyment which includes single track, off camber areas, creek crossings, rocks, and roots! Entrance to the trails are located to rear of the upper parking area.

MOTOCROSS TRACK

Rocket Raceway MX track is a natural dirt, 1.5 mile European style motocross track, with lots of elevation changes. Its considered an old school MX track with lots of jumps and plenty of sections to open up your bike and get on the pipe. Flaggers and additional help will be available at the track if this is your first time (look for anyone wearing a yellow vest). Depending on turnout, we will also break up practices based on skill level in order to make sure every feels comfortable getting out on the track!

KIDS TRACK

Rocket Raceway MX kids track is a mini main track with lots of elevation changes sprinkled with table tops, singles, and off camber turns. Everything a rider needs to hone their skills.

TT/FLAT TRACK COURSE

We are working with Rocket Raceway MX to hopefully provide a TT/Flat Track course onsite. Please check our Facebook page or contact us directly for more information.
