

Trolley Interior Advertisements

The trolleys run on 3 main lines, the Green, Blue and Orange. Your advertising campaign can target one or multiple lines. Some Blue and Orange line LRV's are placed on the Green line for special events at Qualcomm Stadium and the Convention Center.

Placement Options

We have two size/ placement options:

2000 series LRV's: ads are 24" H by 16" W.
2 ads per LRV required, one on each side of the glass panel. 35 LRV's are available.

3000 & 4000 series LRV's: ads are 11" H x 46" W. 75 LRV's are currently available.
