

Job Posting - Building Official

Plainfield is a prosperous and bustling Village, located 35 miles southwest of Chicago. Easily accessible, the Village is close to several interstates and state highways making it an excellent place to live, own a business, or simply spend the day shopping and dining in our historic downtown.

Downtown Plainfield, which is the heart of the community, is a vibrant, pedestrian-focused destination for shopping, dining, and entertainment. Each year, the downtown is home to a number of special events including Plainfield Fest, classic car nights, movies, and concerts. Plainfield is also home to the Lake Renwick Heron Rookery, numerous historic districts and landmarks, a wonderful park and trail system, and the DuPage River which provides numerous outdoor recreational opportunities.

At the crossroads of the historic Lincoln Highway and Route 66, Plainfield continues to build upon its already rich history, and the Village Government is well positioned to accommodate growth and welcomes new commercial and industrial development to help parallel the success of its residential expansion.

The Village of Plainfield is seeking applicants for the position of Building Official. This is a highly responsible administrative, supervisory, and investigative position that will work to oversee and participate in the inspection of all Village commercial, industrial, and residential properties. Must be able to secure and maintain compliance with all building codes. This position receives general direction regarding enforcement policies and philosophies from the Village Administrator.

Essential Duties and Responsibilities include the following. Others may be assigned.

- Commits to long hours of work when necessary to reach goals.
- Reviews requests for building permits to ensure compliance with building and zoning codes. Reviews plans to determine conformance with codes prior to issuance of building permits; coordinates with planners to help ensure the conformance of development proposals with zoning and land use requirements and annexation agreements. Works with fire protection district for conformance with fire/life safety codes.
- Oversees and works closely with building inspector and clerical staff in the management of building permit activity. Supervises building inspectors in the inspections of buildings during the course of construction.
- The incumbent determines whether plans, workmanship, and materials with all existing code compliance issues and inspections requirements, serving as an in-house expert on

building code interpretation.

- Reports to the Director of Community Development from who he/she receives general direction regarding enforcement policies and philosophies. Work is performed under general management direction with some guidelines. Work is subject to review through reports, conferences, standard checks, and observation of results obtained.
- Deals with developers/contractors in making corrections to more complex problems to ensure conformity with regulations and works with the public on matters relating to building regulations.
- Answer inquiries from the public regarding complex construction and renovation problems and meets with property owners who are making unusual structural improvements and reviews their construction or renovation plans.
- Acts as final authority in interpretations of building codes in light of departmental policy and Public Safety and Welfare.
- Responsible for day-to-day activities and workload of the Building Division.
