

## **DONATIONS FROM YOUR GARDEN**

If your garden or fruit trees overflow with produce, we'd like to receive your extras. Placer County has health safety rules that require that you to identify your name and location of your garden/orchard at the time of the donation in case there is a food safety issue and we need to identify the origination of the produce.

Bring your donations to the Food Closet Mon-Fri and last Saturday of the month, between 10 a.m. and 2 p.m. We will be happy to help you carry your donations into the building. If you would like a receipt for tax purposes, ask the receptionist at the front desk.

We are sorry but we cannot use donated produce left on the porch.
