

BRANDEL - MURPHY YOUTH FOUNDATION

Dear Fellow Lions,

As an International Officer with Maureen by my side, we were blessed with the privilege of serving the Lions of the world. Though our term of office is over, the opportunity to serve is not.

We are honored to continue our service at home, in MD20 New York State and Bermuda, by providing assistance to the many children who are in need.

Maureen and I are very proud of the efforts and of the results of the Brandel-Murphy Youth Foundation since its inception in 2011. Through the dedication of the Foundation committee and the generosity of many Lions and friends, we have been able to truly make a difference.

We look forward to helping you as you assist the children in your communities for many years to come. Together, we can and will make miracles through service.

Al and Maureen

Our Mission

www.brandelmurphyfoundation.org

The Brandel - Murphy Youth Foundation

A not-for-profit organization whose mission is to support projects that will improve the lives of children in MD-20, New York State and Bermuda. The Youth Foundation is committed to providing assistance to Lions who share these mission goals.

Humanitarian Assistance Grants

Each year, the Brandel - Murphy Youth Foundation allots funds for their Grant Program. These funds are awarded based on merit and urgency until all the allotted funds have been distributed for that Lions Year.

The Lions know which children in their communities may need their assistance. Once your club, zone, or district decides to help, you can then double your funding for that project, up to \$2,000, with a BMYF matching grant. Log on to our website to find out more.

Emergency Assistance Grants

In recent years, many areas in MD20 were hit hard during natural disasters such as Hurricane Irene and Super Storm Sandy. The Brandel - Murphy Youth Foundation was there to provide needed financial assistance to help children in the affected areas.

If the area in which you live has been designated a Federal or State disaster Zone following any natural disaster then your District Governor can apply for an immediate BMYF Emergency Grant of up to \$2,500.
