## 1. Data Controller

In this section, we give you further information about us, as a data controller.

- 1.1 Cork Education and Training Board (CETB) is the data controller in respect of CCTV recordings throughout its premises. Our address and contact details are:

Address: 21, Lavitt's Quay, Cork.  
Telephone: 021/4273377  
Email: [info@corketb.ie](mailto:info@corketb.ie)

CETB is a statutory body, established under Section 8 Education and Training Boards Act 2013. We provide primary and second-level education, second chance education; further education and training (including apprenticeships); youth services, community-based education programmes; prison education, outdoor education; outreach programmes, specialist programmes eg. Music Generation and other programmes/courses as may be delivered/funded/sponsored in whole or part or in co-operation with other bodies/agencies etc. For further information, see Section 1 of our Data Protection Policy available at: <http://cork.etb.ie/about-us/policies/corporate-governance/>.

Our core functions are set out in Section 10 ETB Act, together with such other matters as are set out in the Education and Training Boards Act 2013, together with such other legal and statutory obligations as may be imposed on CETB from time to time.

- 1.2 CETB has developed this CCTV Policy to supplement the CCTV Privacy Notice and the CETB Data Protection Policy. This is in order to be transparent and accountable to data subjects in relation to the processing of CCTV data.
- 1.3 In this CCTV Policy, defined terms shall refer to those definitions used in Section 1 of CETB's Data Protection Policy.

## 2. CCTV Recordings and Legal Basis

- 2.1 This CCTV Policy applies to the premises owned or controlled by CETB. For the avoidance of any doubt, this policy has no application to premises not in the ownership or control of CETB (eg. external institutions, prisons, etc.).
- 2.2 In this section, we give you more information about the type of CCTV images we collect, why we use CCTV, what we do with CCTV recordings/images and the lawful basis relied upon.
- 2.3 We use CCTV (video only, no audio/sound-recording) on our premises, at internal and external points. CCTV cameras are mounted on fixed-points, with no auto-tracking capabilities.
- 2.4 For the avoidance of doubt, CCTV monitoring/profiling of an individual based on any of the following characteristics is prohibited by this policy:
- Age
  - Civil status
  - Disability
  - Family status
  - Gender
  - Membership of the Traveller Community
  - Race
  - Religion

- Sexual orientation
- Membership of the Travelling Community.

2.5 CCTV will be utilised in a fair and ethical manner. The location of cameras is a key consideration. Use of CCTV to monitor areas where individuals would have a reasonable expectation of privacy (eg. bathrooms, changing rooms, etc.) is considered by CETB to be unjustifiable and unethical.

2.6 CETB has endeavoured to select locations for the installation of CCTV cameras which are least intrusive to protect the privacy of individuals. Cameras placed so as to record external areas are positioned in such a way as to prevent or minimise recording of passers-by or of another person's private property.

2.7 In any area where CCTV is in operation, there will be a prominent sign displayed notifying people of same. For the avoidance of any doubt, there shall be no covert CCTV recording.

2.8 A Data Protection Impact Assessment (DPIA) is undertaken when installing or making adaptations to CCTV systems, where the processing is likely to result in a high risk to the rights and freedoms of data subjects.

2.9 The purposes of CCTV and the legal basis of same are set out below:
