Mrs. Arthalony: Lead Teacher

What's Been Happening?

This month we had such a great time learning about apples, leaves and pumpkins. We worked on the sounds of letters and writing the letters too. It's funny to see, but the girls liked "playing school" by doing art work, letters and even numbers. It is awesome to see that they're imitating what they've learned in class. The boys are just excited to build with the blocks and design marvelous structures with no limits to their imagination! Many thanks to the parents who went on our field trip.

Warmly, Mrs. Arthalony

Leaves are Falling

(Tune: Jingle bells)

Leaves are falling,
Leaves are falling,
One fell on my nose!

Leaves are falling,
Leaves are falling,
One fell on my toes!

Leaves are falling,
Leaves are falling,
One fell on my head!

Leaves are falling,
leaves are falling,
Yellow, orange and red!

Please bring in a winter coat for your child. Rain, wind, snow or sun, we experience all sorts of weather by going outside everyday!

Happy Thanksgiving

It's November! What Are We Going To Do?

We will discuss the importance of eating healthy foods and what kinds of foods the children eat at home along with the different foods they like. We will be making art with various shapes, colors, and owls. I'm so pleased to learn that our Bright Wheel software is underway and amazed to access it with our new teachers' tablets. I'm excited to send you photos through out the day so you can see what your child is doing.
