## PRESIDENT'S MESSAGE —Waskah Whelan

Communism and its partner, Socialism always claim they are establishing Utopia for the people, but then they rob and kill the successful and force workers into virtual slavery. Finally, when starvation arrives and it all comes crashing down, the Left starts over saying we have a new improved Socialism you're really going to like. However, Communism and Socialism yield murder and hardship everywhere they've been tried.

### Now they want to try it here.

While many see Socialism as a philosophy of compassion, actually it is an ideology designed to control others.

This is why we are working so hard to defeat the Democrats in California and elsewhere. We have much to lose if they win and everything to gain if we are successful.

Please take the California Recall election seriously.

**Do everything you can to help us win and stop the Left on their march toward Communism and Socialism in America.**

Stop Gavin Newsom NOW...Work the phones and tell others.

God Bless and Protect a Free America.

## MEMBERSHIP—Laura Landegent

### MEMBERSHIP MOMENT

Summer has passed and it's time to bring in the harvest.... The recall harvest that is. California deserves a bright future and that means new leadership.

#### Members making a difference:

Our FUNdamentals of local politics meet up happened at Keg and Bottle Bistro on Del Cerro Blvd., last Thursday evening. Thank you Grace Ventitelli Meyers for coordinating both the venue and our very informative speaker Todd Maddison (Chairman of San Diego County School Choice). We learned that a major push for signatures to place this important initiative on the ballot will begin right after the recall election has ended in September. School choice is the way to put the power of directing California kids education back where it belongs, with parents. FUNdamentals is for all of us who enjoy a smaller group meet up at local settings where we can socialize and dig deeper into local political issues. Join in the FUN... If you are interested in helping plan or volunteering in any way, please email me at: [membershiprwcnc@gmail.com](mailto:membershiprwcnc@gmail.com)

#### CALL TO ACTION:

### POLITICAL HUMOR OR HORROR?

## Winning the ReCall:

- We have until September 13 to make calls for the Recall Election.
- The phone numbers you will be calling will be on your i360 phone app
- Reform California is keeping track of who has already turned in their ballots using data from the ROV.
- Every person you are connected to on the phone has not yet mailed in their ballot or voted in person.
- **That is why these calls are important. They are not a waste of time...you are actually contacting or leaving a message with voters that haven't voted yet.**
- We can win this, but we need super turn-out.
- Everyone can help, even your friends or family members...just sign up with [YesonRecall.org](http://YesonRecall.org) and then download the app for i360. You will be contacted with a username and password.

Now begin...

**Open the i360 app** - Input your **user name and password**

Basically this is all there is to see. There are special meetings for State officers and one Delegate update by the Chairwoman on Friday, but everything else is open to Delegates and Guests. Even the Sunday General Session has both Delegates and Guests in attendance, however, only Delegates can vote.

I encourage you to attend if possible. Seldom do they hold the CRP State Conventions in San Diego. Usually they are held in Sacramento and Los Angeles or sometimes Anaheim. In non-election years, there is a Spring and a Fall Convention. In election years, only a Spring Convention.

The Banquet Luncheons and Dinners have an early bird price if you sign up by tomorrow evening. Aug 27. We never know the names of the speakers at these events until after we have paid our early bird money! You may wait to see who the speaker will be and just pay the extra fee. However, they do sell out and you don't get to hear anyone no matter the price.

Pat Boerner and Waskah Whelan will be there as delegates and hope to have many of you join us.

## CHAPLAIN—Ginny Wisley

*"As the deer pants for streams of water,  
so my soul pants for Thee, O God."  
Psalm 42:1*

I'm sitting in a hotel room in Killarney, County Kerry, Ireland as I write this. Yesterday Rick & I walked for 3-1/2 hours in the Killarney National Park, 26,000 acres (Central Park has 843; Balboa Park has 1,200) we found the most interesting things:

A river... without trash! A heron... eating fish! Cows... sleeping in the sun! Clouds... puffy, happy! Pony & Traps... with tourists, laughing & talking & taking pictures! Walkers & dog walkers, Joggers, Bicyclists... all saying hi, how are ye? good day! AND DEER... just hangin' out, bein' cool, drinking from the river, just chillin', walkin' down the path.

Why can't our world be that calm, that relaxed, that puffy cloud, that "Hi, how are ye? Great day, beautiful day, isn't it?"

It just starts with one person, so...  
Hi, how are ye? Beautiful day, isn't it?

Blessings
