

KANSAS ICE HOUSE

ENTREPRENEURSHIP PROGRAM

ENTREPRENEURIAL MINDSET CERTIFICATE PROGRAM

Develop entrepreneurial skills to tackle challenges & accomplish the extraordinary in all areas of life!

The Kansas Ice House Entrepreneurship Program is a certificate program that develops an entrepreneurial mindset and skills like critical thinking, communication, problem solving, and other key assets crucial for success in business and life. The program combines classroom presentations with video interviews and case studies featuring modern-day examples of entrepreneurs who have triumphed over adversity by embracing an entrepreneurial mindset. Each lesson includes discussion topics and assignments that encourage real-world application of the concepts.

"Inspiring, encouraging, and directional in showing how to move forward in the process of starting a business."

HELEN ROLFE, WICHITA, KS

"Having an entrepreneurial mindset is one of the best assets you can have...learn to look for problems and you will find opportunities. I love the way the course is a mixture of classroom/online/and hands-on!"

Lea Ann E. Seiler
Director,
Hodgeman County
Economic Development

Register today
before all 20
spots are filled!

You Will Learn To:

- Use critical thinking skills to identify and evaluate entrepreneurial opportunities, manage risks, and learn from results
- Understand processes where entrepreneurs with limited resources can transform simple ideas into sustainable success
- Establish personal goals, identify resources, and determine steps to accomplish goals
- Network with other entrepreneurs and entrepreneurial thinkers!

This program is brought to you in part by NetWork Kansas.
