Caseworker Encouragers Wanted

Would you like to be a caseworker encourager? This simply involves committing to pray for your caseworker on a regular basis, and being willing to pray for specific requests should they ask. Phone numbers will be exchanged between you and your caseworker and prayers will be lifted. They are expecting 30 caseworkers to participate, so they are asking for 6 volunteers for each church.

They would also like everyone to consider continuing loving for the workers by taking in a small something — muffins, candy bottles of water with a flavor packet, etc. once a month, for the caseworkers.
