

# Financial Empowerment Program

The Perspecta Financial Empowerment program provides you with the tools and support to encourage your employees to lead financially healthier and less stressful lives. Our program uses only unbiased information that is free of product and financial services sales or marketing of any sort. Your employees will gain a deeper appreciation of employer-sponsored benefits and a better understanding of their important financial issues. Outcomes of this education include: reduced employee stress, better attendance rates, increased employee satisfaction, engagement and workforce productivity, and higher overall employee retention. In addition, your company will benefit from less time spent fielding questions about benefits and employees' financial matters, and will gain an important advantage in attracting new employees.

## The Perspecta Financial Empowerment Program for Employees includes:

- Monthly Modules on various financial topics based on the needs of your employees. Information is delivered in easily digestible modules that educate on the topic and relate the information to the employee's life.
- Online Courses
- Educational materials with printable support materials
- One on one meetings with a
- Perspecta Financial Empowerment Expert
- Encouragement to participate in the Financial Empowerment Competition hosted by your company

*Your Human Resources Team will get all the support they need to manage the program easily and efficiently.*
