

MICROBIOCIDE 7907 – Justeq07

DESCRIPTION

Justeq 07 is a liquid, stabilized chlorine and sodium bromide based oxidizing biocide. It has EPA registration for controlling bacteria, yeast and algae growth in recirculating cooling water systems, air washers, once-through industrial cooling systems, paper & paperboard process systems & sewage systems. It is an oxidizing microbiocide which is effective over a wide pH range, up to 9.0 and as low as 6.0. Justeq07 is relatively safe to handle and store and is effective at low dosages

APPLICATION

Justeq 07 is designed to be fed by pump and timer.

PHYSICAL PROPERTIES

Color & Form Light yellow liquid
Density..... 10.42 lbs/gal
Odor..... Mild chlorine

DOSAGE & FEEDING

Justeq 07 may be added at system inlet water or other locations in the system at a point of uniform mixing where the treated water will be circulated or mixed throughout the system. Badly fouled systems should be cleaned before treatment begins. The product may be applied to the system either continuously or intermittently (slug dose) or as needed to obtain the recommended total chlorine level. The frequency of feeding and dosage rate will depend on the severity of the problem. Consult your Water Treatment Service Engineer for additional information.

HANDLING & PRECAUTIONS

Justeq 07 should be in a closed, opaque container with vented closure when not in use. Store the container in a cool, dry, well-ventilated area away from heat, open flames, organic chemicals and sunlight. Mix only with water. Do not add this product to any dispensing device containing remnants of any other product. Do not contaminate with moisture, organic matter or other chemicals as adverse chemical reactions may occur. Wear chemical-resistant gloves, eye protection and protective clothing when handling or transferring the product.

Refer to *Material Safety Data Sheet* for additional safe handling information.

PACKAGING

Justeq 07 is packaged in:

5-gallon pailsnet wt. 52 lbs
30-gallon drumsnet wt. 310 lbs
55-gallon drumsnet wt. 573 lbs
275-gallon totes.....net wt. 2868 lbs
