PRESIDENT'S MESSAGE

GaSCar President's letter, July 2020

Dear GaSCarians,

As I pen this note to you, I cannot believe we are on the down hill side of 2020. There is so much going on in our country. It is mind-boggling, so we just have to take it one thing at a time, and then the next step ahead. Giving up is not an option, so press on my friends. I hope everyone in our group is well and taking serious steps to stay that way. Please notify us of anyone who tests positive or has any other illness. Each one of our GaSCar family is so important to us. Our club did not get to be forty-five years long without each of you.

As of this date, I am not aware of any activities. So far, some of our group did participate in a "cruise thru" at Brookdale Retirement Home on June 19. Ten cars participated. It was a hot day, but a good one. Ernie's 57 vapor-locked, and our blue Chevelle broke down in the Wendy's drive-thru, but we all got home okay.

The Board was hoping we could gather for our September annual dinner, but at present time, circumstances may not be favorable. As time gets closer, we will make that decision.

You and I know our lives have been altered. Our family is doing well at present, but several of our friends have tested positive. Continue to pray for those in need and help whenever you can.

This is a year we shall never forget. Stay safe, my friends. John
