

# Need a job soon but not sure where to start?

## What's In It For Me?

- **Figure out the job for you!**  
Our team will guide you through the different types of part time jobs that are available, assess your interests and skills, and help you create a road map to get started!
- **How to market your best self!**  
Figure out how to navigate the online applications, job search engines, put together a resume and prepare for that first interview! No job experience? No problem! We'll show you how!
- **Try different jobs on for size!**  
Not sure what you would like or be good at? Let us show you the world of work with no pressure! Visit different job sites and try out different types of jobs to see where your skills and interests really fit!
- **Getting it done....**  
We will help you put your training and experience to work! We will help you explore what jobs to apply for, help you begin the application process, learn how to fill out new hire paperwork, prepare cover and thank you letters and take next steps toward work!

**Offered in Somerset,  
Middlesex & Mercer  
county locations**

## We can help!

**Let Bridges to Employment's  
Work Readiness Program show you the way!**

## Free Introductory Workshop

During this free 90 minute workshop, first time job seekers will complete an "interest inventory" and discuss the challenges related to today's job search. In a safe, welcoming environment, our experienced Employment Specialists will share tips and tools to get students/job seekers excited about looking for work!

We all have to face the work world at some point, but why should anyone have to do it alone? Our trained staff are experienced working with young people who are navigating the world of work for the first time. Our goal is to give young job seekers the knowledge and confidence needed to seek out work and start on their path toward independence!

**To Register, call (908)685-1444 ext.225**

Interested in what else Bridges to Employment has to offer?  
Contact us to learn about our **Work Readiness Workshop Series** and  
our **Individualized Job Search Program**

See **What's In It For Me** on the left panel for some of the services offered!

Free Workshop, Work Readiness Workshop Series and Individualized Job Search Program offered on a rolling basis.
