

Thank you for requesting a dugout. Enclosed is the plan for the dugout judging and the comic parade. In years past, there has been duplicates. This year, we plan on eliminating any duplicates. Please provide me your department's top 4 choices for potential options for your dugout theme & comic parade participation. We will then assign your department one of their choices on a first come first serve basis. Please use the assigned "theme" to decorate your dugout and your participation in the comic parade.

Also, new this year to revive the dugout hopping... we will have "passports" that will be issued when you register at sign in. More details to follow.

Please email the choice sheet back to [parisherin26@gmail.com](mailto:parisherin26@gmail.com) and await further instructions on the final theme for your specific dugout.

Thanks,

Erin Parish
