

## COME PARTY WITH US !!

Happy Fall to our Residents !!!!

We take Pride in our community !! Our team has been hard at work cleaning up the community, cutting trees, trimming bushes etc ... and we want to THANK all of you for pitching in by beautifying your own yards and home sites. As summer winds down and the crisp air creeps in.. we want to remind everyone ,of a few important things to do to prepare for the cold winter months...

1. Check your skirting... making sure it is in place with no missing pieces. This keeps animals from seeking warm refuge under your home causing damage.
2. Make certain your heat tape is working and pipes are insulated if exposed to the elements.
3. Seal up under sinks and any pipes that come up threw the home.
4. Put away (in sheds) any summer furniture, grills, planters etc.
5. Make sure garbage cans have lids and are kept out of site from the street

Linden Place along with Xfinity, Continental Rental, MMH Mobile Home Supply are teaming up to bring you a fantastic Halloween Party..October 31, 5pm-7pm. Food and Treats will be provided as well as games and activities. Costume contest with prizes to be awarded for (cutest costume, most creative costume, scariest costume) Feel free to bring along any friends.
