MORROW COUNTY SENIOR MOMENTS 3

VOLUNTEER OF THE MONTH

The Staff of Seniors on Center and all the people she serves would like to thank Nancy Reed for her many years of dedication to her community. For the past three years, Nancy has volunteered at the center helping with the commodities and handing out popcorn on Monday nights.

Nancy was born on December 7, 1940, in Mansfield Ohio. She attended school at Lexington. She has two daughters, three grandsons, and one granddaughter.

Nancy has worked for HPM and the Health Department for a combined total of twenty-two years in the Clerical Departments.

Nancy also volunteers at Trinity United Methodist Church doing office duties, baking pies, and helping serve dinners.

In her spare time, she likes to quilt, read, and participate in the activities and trips offered at the Seniors on Center. She has also been part of the Morrow County Quilting Guild and serves as treasurer. She is also a member of Morrow County Hospital Auxiliary and worked in their gift shop until it closed. She currently is the co-treasurer of the Auxiliary

Nancy has done a great service to Seniors on Center and we appreciate her devotion and selfless support!

PHOTOS

A great big thank you to Mount Gilead's High School Show Choir and their teacher Mr. Randy Mann for putting on a wonderful performance for our seniors in December for our Christmas program.

We are raffling off these three items for a fundraiser for United Way Radiothon. Tickets will be \$1.00 each or 6 for \$5.00. Please stop into the center and see Maggie or Chris for your tickets. Last day for this fundraiser will be February 26th.

It is with my greatest apologies, the beautiful wreathes that were pictured in last months issue was sponsored by Jean from Keith's Flower Shop ,not Mary K's. Again, my apologies for the mix up!

FUN FACTS

1. Moles have worm “larders” where they keep up to 1000 worms. Their saliva paralyzes the worms and they store their still-live prey for later consumption.
2. In the middle of the Great Depression, an anonymous man placed an offer in an Ohio newspaper, saying: “If you’re in trouble, write me.” Many people sent him desperate letters, needing things like shoes, a coat, mercy, food, and to save their family from despair. Many of them got back checks from someone who used a pseudonym.
3. A school bus driver and 26 children were abducted as part of a failed ransom plot in 1976. They were buried alive in the back of a moving van. The driver, with help from some of the older kids, managed to open a trapdoor and free everyone inside.
4. In 2005, a fortune cookie company called Wonton Food Inc. correctly foretold lottery numbers, resulting in 110 winners and an investigation. No fraud was involved.
5. The collars on men’s shirts used to be detachable. This was to save on laundry costs as the collar was the part that needed cleaning the most frequently.
6. Baked beans are actually not baked, but stewed.
