

PENNY – OCTOBER 21, 2011

Adding Penny to our family was one of the best decisions we ever made. She is so much fun and so full of love. We tease that she is everyone's best friend, even the people she hasn't met yet. She is bouncy with friends and new people, yet she is smart enough to know she needs to calm down around little ones. I love coming home to a wagging tail that is so happy to see me. I love watching her run full out across the field. She is strong, healthy, and full of love. She is family. Thank you Owasco Valley Retrievers!
