705 Lytle Street • West Palm Beach, Florida 33405 • 561-506-8440 • www.balletatlantica.com

Dear Dance Patron,

Ballet Atlantica is a community based dance school providing superior dance education and quality performances in Beach County. Ranging from toddlers to adults, students from the ages of four to over forty experience expert dance instruction from incredible teachers.

In order to help provide such quality, Ballet Atlantica has established Atlantica Guild, a non-profit 501(c)(3) charitable organization to create awareness, and to accept donations. The Guild's only purpose is to help make an impact on the lives of students through the art of dance, and the community in which they dance and perform.

Your donation will help fund educational outreach programs, student scholarships, and the purchase of dance wear and shoes (if needed), theatrical performances, special workshops, master classes and operational fees while expanding the presence of dance in the area. Cash gifts are tax-deductible. Your donation will be listed on Ballet Atlantica's website and in performance program book listings.

It is only through you and your generous support Ballet Atlantica can continue the education of our youth. Let's dance together! Please, join in the continuation of our mission.

Sincerely,

Jesse Hammel  
Founder and Director

Lois Hammel
