

Data Compiled as of August 23, 2023 @ 9:31 AM

Each artifact will be broadly coded in the following manner: Number of dots (yellow/red), Tagged #, keyword of themes.

Remark: As a preliminary data review, I avoided individual colors to obtain the broader connections (to make things manageable)

CODED HIGHLIGHTS:

- **Urgent** – This needs to be addressed ASAP
- **Something urgent that needs to be addressed** – could be issue interpreting what this means or a text that is unclear and not viewable from either original or photo documents.
- **Something to be emphasized** – could be a number or text that need to be made noticeably clear
- **This item has not been incorporated into the model.** A date and initial will be made to ensure the item has not been accidentally discarded.
- **A written text that is formatted in a way or a comment being made about a text**
