DOWNLOAD

- Use the search function to find e-books and e-audiobooks OR click "Browse" to search for items by categories
- Click item's cover, and select "Checkout"
- Once your item is checked out, you can select "My Stuff" to find it under "Checkouts"
- Checkouts can be Read Online with an Internet connection, or downloaded for offline access
- Items are available for 14 days, and can be returned early by clicking "Return" in the item's info

PLACE HOLDS

- Click item's cover, and select "Place on Hold"
- Once your item is available, you will receive a notification that your item is ready to checkout
- Each account is allowed to request 5 e-books at once. If you've reach the hold limit, select "Add to Wishlist" to request later!

HELPFUL HINTS

- Forgot to "Return" your item? No problem! Axis360 will automatically remove the e-book from your device and the app never charges fines.
- Each account is allowed to check out 5 e-books at once
- E-books will display a book icon, while e-audiobooks will display a headphones icon. When icons are green, they are available for checkout - no hold required!
- While reading, use the icons at the top to increase text size, add bookmarks, and more!
