

FVOAS Honors Retiring Aide

Margarett Angus was recently honored by Fox Valley Older Adult Services (FVOAS) for 13 years of service as a Home Services aide. Margarett is the epitome of a caregiver. She is friendly, unselfish, goes above and beyond and follows all rules and regulations. This award winning aide always steps up to the plate taking on any client no matter the amount of care needed.

In 2010, Margarett won the Senior Community Service Employment Program's National Employ Older Worker Award. After 13 years Margarett has decided to spend more time enjoying her family and gardens. FVOAS is hoping to see Margarett in the near future as a volunteer and a participant.
