The Spirit of the Lakes Festival is a festival "By the Community, For the Community."

It is a two-day event with live music, a parade, an art festival, Mini Putt by the Bay, great food, fireworks, entertainment for all ages along with the MN Wakesurf Competition! The 2017 dates are Friday, July 21, and Saturday, July 22.

Most events are located at Surfside Park & Beach on Lake Minnetonka. Friday events start with the MN Wakesurf Championship demo day. Later there will be Kids Fun (air brush tattoo artists, crazy hairdos, face painter, caricature drawings), fire dancers and live music from popular bands for an evening of fun dancing by the lake. This night we are excited to present the third annual "Meet Your Maker Minnesota Beverage Experience" featuring MN breweries, wineries and distilleries. Saturday brings the MN Wakesurf Championship finals along with the Grand Parade, Arts Festival, Mini Putt by the Bay, live stage shows (see details on our website), food court with incredible variety, beverage tastings, Lake Minnetonka boat tours, kids activities and so much more.

At dusk, enjoy a huge fireworks display over Lake Minnetonka! Live music will continue after the fireworks too. This amazing festival is fun for all ages and is made possible by dedicated volunteers and generous sponsors. For details and a full run-down of events, visit www.spiritofthelakes.com.
