Operating the Carolina Chord Connection takes a surprisingly large sum of money. In addition to the chorus's own fundraising efforts such as Singing Valentines, weekly 50/50 drawings, program ads and tickets sales for our annual show, and donations for performances, the Chorus received a matching grant for 2019-20. As a result the Carolina Chord Connection is **sponsored by the Pitt County Community Schools and Recreation along with support from Greenville Recreation and Parks.**

These ladies have only been together a short time, but their combined barbershop and music experience is extensive.

Both Heidi and Kristen (the baritone and bass) previously sang with choruses in Michigan and each competed with quartets in the Rising Star contest, a competition for young women under the age of 25. Heidi has been a Sweet Adeline since 1996, while Kristen joined in 2006.

With Vienna Falls as their first barbershop chorus, Allison joined Sweet Adelines in 2013 and Sara joined in 2015. Allison, however, studied vocal and instrumental music at Virginia Tech where she sang with a variety of choral groups including the female a capella group Soulstice while also playing saxophone in various bands. She is currently an elementary school music teacher. Although Sara is relatively new to barbershop, her music experience is extensive. Sara has been singing in different choruses, whether it was classical or musical theater based, since 2002. She also frequently sings at weddings.

Up All Night are the current 2017 Regional Championship quartet and will compete in the Sweet Adeline's International Competition in Las Vegas this October.

Invitation to Join the Carolina Chord Connection

Like jazz, barbershop harmony is a uniquely American art form. This style of four part a cappella singing probably came about in the late 1800s and early 1900s from African-American origins. Its modern roots may be traced to the late 1930s when a group of Midwest businessmen got together in a hotel lobby for some singing. The Barbershop Harmony Society resulted and today it consists of about 35,000 men from local chapters in the USA and many thousands more from countries all over the world.

The Carolina Chord Connection was first incorporated as a local chapter of the Barbershop Harmony Society in the 1950s. That group faded but was re-incorporated in 1978 as the Greenville NC Area chapter. It presently consists of about 25 men of different ages and all walks of life. From this group several active quartets have been formed. Most do not have formal musical training.

Our local chapter meets for music practice once a week on Monday evenings in the Jaycee Park Auditorium in Greenville, (East Branch Public Library) from 7:00 until 9:00 PM. Carolina Chord Connection is also available for hire to entertain for groups of all kinds for occasions. CCC also performs gratis for nursing homes, civic organizations, etc., numerous times throughout the year.

Drop by to our practice meetings any Monday night for some fun and fellowship. You'll be made most welcome. Call Dan Sprau (252-355-2712).
