AMA CHARTER #895

Direct correspondence to: Bruce Whatley, 8202 Cheshire Way, Louisville, KY 40222

The August meeting was held on Tuesday the 7th at the Fern Creek branch of Library.

Old Business:

Reminder: The Bowman Field Heritage event is Saturday and Sunday October 6th & 7th. We will be needing volunteers for our booth. Shifts will run 9 to 1 and 1 to 5 both days. See Gary Esterle to volunteer.

The car track is going good with a lot of interest. The oval track is laid out and now partially outlined with corrugated plastic pipe. Thanks to those who have donated. See Jim Rippy if you would like to help with the track. We have more improvements and additions in the works.

New Business:

We will be reviewing and discussing our proposed budget for next year at the September meeting.

We had to spend around \$280 on the old mower this month when the starter and starter relay had to be replaced as well as the ignition switch.

Library Show:

The library show and fun fly event are history now. We had a good turnout during the week drawing a

a lot of interest from the public. Last count was 80 people at the fun fly which was the conclusion of the library event. Thanks to all those who brought planes to display and/or donated time to man the display. Thanks to the LFPL for working with us to host and promote the display.

The Usual Reminders:

>Jerry has vinyl club window decals. Nice and only \$12...

>Jerry has a new order of club caps on the way. Caps are \$12, shirts \$12 to \$16 depending on size. He has some shirts in stock. If you have a special request, contact John Vetter.

>AMA cards must be displayed while flying. There are card sleeves in the file cabinet in the club house.

>Guests may fly on three separate occasions before being required to join and fly as a club member.

>Note we do not send out renewal notices for membership, the postage is too expensive.

>Pro-rated dues of \$35 after July are in effect for new members.

Tom Stryker and Tony Ayers are working with Dick Weidner to have an RC plane auction ready by the September Fun Fly. Due to health issues Dick will be moving to an assisted living facility and cannot take his planes with him. We have a huge assortment of planes and accessories accumulated from over 50 years of flying. We will post some photos on our Facebook page as soon as possible.
