

USS ARLINGTON Homecoming

The USS ARLINGTON (LPD 24) homecoming celebration in Norfolk on July 18 included four Richmond Navy League Board Members and our National Navy League representative as invited guests on summertime Pier 9. Amphibious assault ship USS KEARSARGE (LHD 3) arrived 30 minutes later at Pier 10. Both had been part of the Kearsarge Amphibious Ready Group (ARG) providing forward naval presence in Europe, Africa and the Middle East.

We appreciate COMNAVSURFLANT Deputy PAO Jim DeAngio for arranging our participation. Welcome home sailors!
