

Hardwood Hoops - Tournament Facts

Tucson Presidents Day Tournament

Hardwood Hoops is excited to be hosting the 1st annual Tucson Presidents Day Tournament. Our main goal of the tournament is for each player, coach and parent to have a positive basketball experience. To assist us in reaching our goal please read and distribute the following tournament facts to all coaches and parents.

1. Sporting Chance Food Policy. Outside food and drink are not permitted in the Sporting Chance Center. Exception: water and sports drinks in acceptable, sealable, individual containers. We do not allow thermoses, coolers, cups or any other containers that create a risk of spillage.
2. Coaches Check-In. Each team needs to check-in with Coach Pieroway prior to the end of the first day of games. At coaches check-in coaches are responsible for showing proof of age/grade for each player on his/her roster.
3. Rosters. Please email rosters prior to start of tournament, if possible. If not, bring a copy of your roster the first day of the tournament to coaches' check-in. Tournament officials will keep a copy of the roster.
4. Officials/Scorekeepers. Hardwood Hoops takes great pride in providing the best officials and scorekeeper possible. Coaches, Officials, and Scorekeepers are expected to act professionally at all times. We want the players to have a positive basketball experience.
5. Tournament Rules. Rules will be posted at each court table. Note: main difference between youth tournament rules and our youth leagues is the free throw policy. In tournament play all free throws will be attempted. In other words, no one for two or one for three free throws.
6. Gate. There will be a \$5 entrance fee each day. There will not be an entrance fee for coaches and players.

Hardwood Hoops want to thank you for your participation in the Tucson Presidents Day Tournament. Being a first year event we are excited to build the tournament into an annual event that coaches and players look forward to each year.

Yours in Hoops

Coach Pieroway
