

Admissions and Continued Occupancy Policy

The policy governing the public housing program is called the CHA Admissions and Continued Occupancy Policy (ACOP). During the past year, HUD has not issued any major program changes for the public housing program. Therefore, there are no changes in the CHA ACOP for 2019. In the policy, the CHA indicates that we will review the interest rate on security deposits; the interest rate will remain at 2%.

A copy of the Admissions and Continued Occupancy Plan can be found under attachment 1 of this plan.
