

Bring on the Snow!

All:

I looked out the window and what did I see?
Dark, gray clouds in the sky
The temperature's falling it's cold outside.
We're a long, long way from July.

It's easy to see there's a change in the air.
The wind is starting to blow.
And the chance of a storm is one hundred percent
So, come on, bring on the snow.

I hope there's a blizzard and we get a lot
That's what I'm wishing for.
I'm anticipating, I'm not exaggerating:
A foot, maybe two or more.

The weather report said it's coming our way
There's one thing that I know:
We'll have no school tomorrow or maybe for a week.
So come on, bring on the snow.

Part I

Snow, Snow, Snow, Snow, Snow, Snow More Snow
It's easy to see there's a change in the air
The wind is starting to blow

Part II

I looked out the window and what did I see?
Dark, gray clouds in the sky
The temperature's falling it's cold outside
We're a long, long way from July.
Snow, Snow More Snow More Snow

All:

And the chance of a storm is one hundred percent.
So come on, bring on the snow.
I hope there's a blizzard, and we get a lot
That's what I'm wishing for.
I'm anticipating, I'm not exaggerating: a foot maybe two or more.

The weather report said it's coming our way
There's one thing that I know:
We'll have no school tomorrow or maybe for a week.
So come on bring on
