NO PLACE LIKE IT IN THE WORLD!

CREATIVITY IS INTELLIGENCE HAVING FUN. - ALBERT EINSTEIN

Eureka Springs is the first and oldest art colony in Arkansas. It's a vibrant creative village clinging to limestone walls, nestled in the mountains and surrounded by water. Bohemian in its vibe, enthusiastically green and progressive in its outlook, Eureka Springs is the cultural "island" of Northwest Arkansas.

The quirky 'cosmo-urban' atmosphere is alive all year with visual and performance art, music, film and literary events.

If you love to eat, you'll love Eureka Springs' distinctive local restaurants, bistros, pubs and clubs. Dress up or down, we don't care. Clubbing and dining in Eureka Springs is all about good food, good spirits and good friends. It's an experience.
