**SUBJECT: SPECIAL DISTRICTS IN CAYUCOS SOI/MSR
CLARIFICATION ITEMS (Receive and File)**

Recommendation: It is respectfully recommended that LAFCO receive and file the following clarification items regarding the Sphere of Influence and Municipal Service Review Update for the Special Districts in Cayucos:

1. Cayucos Fire District total paid staff equals 6 full time and 14 volunteers.
2. Cayucos Sanitary District existing sewer line alignment, see attached map.

Summary. The Commission adopted the Sphere of Influence and Municipal Service Review for the Special District in Cayucos at their January meeting. During discussion a few questions were raised that required further investigation and clarification. These clarifications do not change the content in the Municipal Service Review nor the Sphere of Influence boundary adopted by the Commission. Rather, this information is being provided to the Commission to address the question raised.

Conclusion. LAFCO has completed all the steps necessary to update the Special Districts in Cayucos Spheres of Influence consistent with the Cortese-Knox-Hertzberg Act. The SOI Update and MSR were adopted by the Commission at its January meeting and the Spheres of Influence were maintained as they currently exist for the Cayucos Fire Protection District, Cayucos Sanitary District, and County Service Area 10.
