

Connect with us on Zoom for Mid-Winter – from Jr. Vice Faith Elford

For those of you not under orders to attend Mid-Winter in person, you are welcome to call in or connect via computer and join in on the meetings. Zoom will be up and live for the Council of Administration, the Friday afternoon trainings; and for the Program Chairmen reports on Saturday.

***Please note that this is a licensed Zoom connection and, therefore, there are no fears of being hacked into. Also, since it is a licensed Zoom connection, you can call in on your cell phones or house phone.**

To stay secure, I do need to send the invitation to you (with instructions) and not post the ID numbers on the web. Send me an email at: faelford@outlook.com and request an invitation or give me a call at 920-568-9278. I do have voice mail if I cannot answer. Just let me know your phone number and name and I will get back to you with the information.
