## FROM THE COMMANDER

October has been a busy Month with November looking like it will be even more so. There are many events and activities planned and the start of the Holiday Season. With all that will be going on I urge all who's dues expire at the end of this Month or Year to pay them now. It will be one more thing done and help us out with our stats reported to the Department. I usually spend time here complaining about the lack of support by our General Members and feel like I am beating a dead Horse so I am no longer going to beat my head against the wall. Instead I want to praise one. There is a thankless job that goes largely unnoticed by many at the Post. The position of House Committee Chairman / Canteen Manager. Not to mention all the other things not part of that job that are done by him. As an example of all the other extra tasks taken on by him is the shopping for the kitchen, News letter Editor / publisher, Web Page creator, Poster / Flyer maker and sometimes Cook. His dedication to this Post is not matched by many, so I would like to give a big hats off and thank you to Richard "Skeeter" Burgess. When you see him at the Post please take a moment to say Thank You. Stay well and safe and I will see you at the Parade.

Fred Sailor

Commander Post 4225

## FROM THE HOUSE COMMITTEE CHAIRMAN

Well we have made it through October and are quickly running out of the rest of the year. October was quite a busy month with everything we had going on, all the Meals, Meat Bingo's, and Meetings. We had a two Joint events with the Post and the Auxiliary. Our 1/2 chicken dinner and our Law Enforcement and First Responders Country Fried Steak Dinner. Both were huge successes!! I would like to say a " **Big THANK YOU** " to everyone that stepped up to help cook, serve and cleanup. We also had our Halloween Party and everyone that attended had a great time. Also a "BIG THANKYOU goes out to Tammy Snider for organizing both the Law Enforcement and First Responders Country Fried Steak Dinner (they served 156 meals), and the Halloween Party.

Continued.....

....continued

There have been so many volunteers that have stepped up this month that there are too many to mention but once again thank you all!! A BIG THANK YOU to Jim McCleary for all his help getting our TV's up and streaming on the Fire Sticks.

Lowes will be at the Post on Wednesday, Nov.10th at 8am to do some volunteer help for our Post. They will be painting the building, trim and sheds. They will be supplying us with a new pressure washer. They will be building us a new 10' x 14' shed and helping us with cleaning out and tearing down our old shed. They will also be doing numerous other small improvements. Please don't park in front of the building until it is painted. We realize that that is the Auxiliary meeting night and we will have them paint the front of the building first so hopefully they will be done way before the meeting. If not please park in the back or as far away from the front of the building as possible..

Richard " Skeeter" Burgess  
House Committee Chairman  
Post 4225

## FROM THE CANTEEN MANAGER

I would like to take a moment and talk about our patronage of the Canteen. If everyone expects our Bartenders to continue to make meals than you better start coming in to support them and the Canteen. They can't continue to put out money for food to make meals if there is little support. We also need your support in the Canteen to continue to give you the service and prices that you expect. Our General membership is highly lacking in their support with only a few members coming in. Remember your Canteen profits pay most of the bills. For all you that do come support the Post please talk to our other members and get them to come show their support.

Richard " Skeeter" Burgess  
Canteen Manager

**FROM THE AUXILIARY  
PRESIDENT**

Greetings,  
It is November and the year is almost over. This is the time to remember to give thanks for all the blessings in our lives, big and small.

Help us show our thanks on Thursday November 11<sup>th</sup> as we Honor our Veterans on "Veteran's Day".

October was a busy month with meals, meeting, a conference, and events, which all went well.

I would like to thank everyone volunteered to help make these things successful and those who supported them.

We have a busy month this month with a lot of special events and meals taking place, so please see our website, Facebook, or the canteen for details.

I would like to ask everyone at this time to join me in praying for Bev & Jay. They were in a very bad accident and thank God they are recovering, but please offer up your prayers and support during this time of recovery. Jay & Bev have always been givers of their time, energy, and resources, and now it is our turn to return the favor.

I thank you all, for all that you do to help ensure the success of VFW Post 4225 and the Auxiliary.

God Bless

*Todd Sailor*
