Next Club Meeting ... 07/07/18 [Saturday @ 08:30]
07/12/18 [Thursday @ 19:00]

SAFETY ORTS:

Safety refresher orientation for existing members started in June. This safety orientation is done after the Club meeting. Many of those who attended this month's meetings attended. Be sure to make one of these sessions as this is mandatory to renew your membership in December. We're also evaluating some additional opportunities for this safety refresher besides after the new member class.

It was decided to not change out the sand in the pit at this time. One reason is due to the hot weather. Another reason is we'd like to evaluate a bullet retrieval system. Replacing the sand will be expensive. A bullet retrieval system may be more financially attractive in the long run. More to follow

LEGAL EAGLE ORTS:

There is a lot going on the "gun rights" front right. There is a lot out there at Texas Law Shield, NRA ILA, etc. Here are some links to NRA ILA Newsletters:

IDPA Practice every Wednesday night at 18:30 hrs

Don't forget about Maintenance night. Tuesday night at 18:00 hrs after the Saturday meeting. Come out and keep the club in good shape. If you attend 6 maintenance nights, you will get \$25 off your annual dues.

The annual Boys Scouts Sporting Clays shoot is scheduled for 8/11-12.

WHAT'S HAPPENING IN TPPC:

Officer nominations are coming quickly. A nomination committee is needed. Jerry Beck has volunteered and we need some others. Offices up for election are: President, Operations Vice President, Secretary, and Membership Director.

Thanks to those that helped installed the target retrieval systems. We couldn't have done this without help. As we keep discussing at the Club meetings, we are a volunteer organization. If people don't want to help, things won't get maintained at the Club. This is a very big concern and especially regarding the routine sand pit lead mining. This is one reason we are looking at a bullet retrieval system. In the meantime, we still need to make sure that we have enough people to mine the lead. It is more difficult in the hot weather.

We're open to "ideas" on how to get folks to help let us know what you think !!

You can email texaspanhandlepistolclub@gmail.com if you have any questions. It is routinely checked by the officers.

Have you gone to the club Facebook page? TEXAS PANHANDLE PISTOL CLUB Please come and join. This will be a good way to communicate information within the club (but not the only way).
